

I Have No Inspiration

Tónina v C

Thom Artway

[C]

I am young lost man

[Ami]

I have no inspiration now

To write a song

So I took my snack

[G]

And I'm running to the forest

[F] [C]

Like I do every time

[C]

Deeper in the forest

[Ami]

Has been living my old friend

Dressed like a wizard

[G]

Caring about all his friends

Foxes, bears and mice

[F] [C]

He's been living a fairytale life

[Dmi]

Ooo

[Ami]

[G]

I have no inspiration now

[Dmi]

Ooo because

[Ami]

[G]

I have no inspiration now

[F]

So I'm sitting on my bed

[C]

And writing a song about nothing at all

[C]

Cars, tons of gadgets, wifi

[Ami]

Still there is time to leave this all behind

[G]

Or just wait until the mirror tells you

[F] [C]

That you used to be young

Don't be scared to give a way

[F]

Watching squirrels when nuts

Are falling on their heads

[G]

instead of scrolling

[Ami]

Facebook wall scrolling scrolling

[Ami]

Then I touched the highest tree

[G]

Remembered all bad memories

[Dmi]

Do you want me to cry

[Ami]

[G]

Do you want me to sing about love... again

[C]

I am a young lost man

[Ami]

I have no inspiration now

To write a song

So I took my snack

[G]

And I'm running to the forest

[F]

[C]

Like I do every time

[Dmi]

Ooo

[Ami]

[G]

I have no inspiration now

[Dmi]

Ooo because

[Ami]

[G]

I have no inspiration now

[Dmi]

Ooo because

[Ami]

[G]

I have no inspiration now

[Dmi]

Ooo because

[Ami]

[G]

I have no inspiration now

[F]

So I'm sitting on my bed

[C]

And writing a song about nothing at all.
